Someone on the old /r/The_donald gave tips for after a repaint. Anyone remember? Was it a application of oil to make it impossible to repaint?

No joke, there were about 10 porta potties in freedom plaza for the MILLION MAGA MARCH

Since that event wasn't organized by Trump, but by "Stop The Steal", they should get the blame for lack of preparedness.

But this time Trump himself is summoning us all, so will he set up Presidential Porta Potties around town?
